

COVID-19 Protocol

The Greely Players encourages anyone who is fully vaccinated and is at least 12 years old to join the upcoming Information Session and Auditions for *Rogers and Hammerstein's Cinderella*.

Greely Players will adhere to all Ottawa Public Health (OPH) COVID-19 protocols throughout the Information Session, Auditions and regular rehearsals.

Information Session on November 6, 2021:

All participants are required to:

- wear a mask indoors
- show proof of full vaccination**

COVID-19 screenings will take place prior to building entry to the Information Session.

**Please note: Full vaccination is defined as having a second dose taken at least 14 days prior to November 6, 2021 (eg. no later than October 22, 2021).

During Auditions on November 13-14, 2021:

All participants are required to:

- wear a mask indoors
- show proof of full vaccination**

COVID-19 screenings will take place prior to building entry for all auditions.

**Please note: Full vaccination is defined as having a second dose taken at least 14 days prior to November 6, 2021 (eg. no later than October 22, 2021).

The vocal portion of auditions will take place in a separate room from the dance portion.

- During the vocal portion of auditions, a physical distance of at least five metres will be maintained between the singer/performer and the audition panel. Areas will be marked off on the floor to guide the singer on where to stand while auditioning.
- The singer must be masked while entering and exiting the audition room. Those who choose to sing unmasked can remove their mask once standing in the marked area.
- During the dance portion of the auditions, there will be an area marked off for each dancer. Each area will be separated from each other at a minimum physical distance of 2 metres.
- Dancers are required to wear a mask during the full dance audition.

For regular rehearsals:

All cast, crew and production team are required to:

- wear a mask indoors
- undergo a COVID-19 screening at the beginning of each rehearsal (including temperature checks)
- sign a Code of Conduct respecting current COVID-19 protocols

In order to keep all Cinderella cast and crew members safe during these unprecedented times, the Greely Players will:

- Adhere to all current and applicable guidelines regarding COVID-19
- Develop a COVID-19 safety plan
- Provide a COVID-19 sanitation station

Current protocols (Oct 8, 2021) include:

- Requiring all individuals to be masked while indoors.
- Requiring proof of full vaccination. Please note: Full vaccination is defined as having a second dose taken at least 14 days prior to November 6, 2021 (eg. no later than October 22, 2021).
- Screening of all volunteers, cast and crew members for COVID-19 symptoms upon entry to the facility.
- Required distancing between performers and audience or spectators either physically (a minimum distance of 2 metres) or by plexiglass or some other impermeable barrier.
