School and program you will be attending in Fall 2025:

Do you live in the Osgoode Ward?

Are you a past or present member of the Greely Players?

Please respond to the following questions. Answers to these questions will be scored by our Awards Committee to determine your qualification for this award:

1. School and Community Involvement. Please provide a list of the ways you have been involved in the life of your school and community. We are interested in how this involvement has benefited you and added value to those you have worked with or served. Scores will be given for involvement in the following areas:

- a. Volunteer Work;
- b. Extracurricular activities (sports teams, school clubs);
- c. Work experience;
- d. Peer leadership; and
- e. Other forms of community involvement (e.g. service clubs, fundraising).

2. Artistic Merit.

- a. As an arts group, we are particularly interested in knowing how you have been involved with or been impacted by theatre, music, dance, visual arts etc.? Please explain.
- b. As you move forward in your academic career, what goals and aspirations do you have?

3. Academic Performance. Please describe your school and academic experience. Please list any academic awards you have received (e.g. honour roll, math awards, etc.) We are not just looking for how you have been graded but are also interested in how you have overcome personal challenges as well as any special accomplishments or achievements that you have earned.

4. References. Please provide at least one (1) relevant written reference attesting to your work ethic, and collaboration (teamwork) skills. Written reference(s) should include concrete examples of these traits. Please provide contact details of the people providing the reference(s). References should be people you have had regular interaction with, who are not family members.

5. Quality of Application. Part of our scoring process will include consideration for the completeness of the information provided as well as the quality of the application.

* Please attach proof of acceptance for the full-time post-secondary fine arts program for which you have been accepted. Applicants that have not yet been accepted may still apply, but if successful must provide proof of acceptance before a bursary can be awarded.
