

Audition Requirements

For the Priscilla audition, focus on showcasing strong singing, dancing and acting abilities.

Prepare a 32-bar (or 30 second) selection of song from a musical with a track cued to the start of your chosen piece. A Bluetooth speaker will be available that day to pair with your phone or you may choose to bring your own device/speaker.

You may also bring sheet music for our accompanist to play. Please clearly mark the start and stop on the sheet music. A dance combination will be available prior to the audition. Our choreographer will review the combination so be ready to perform and demonstrate your best stage presence.
